STUDENT ART

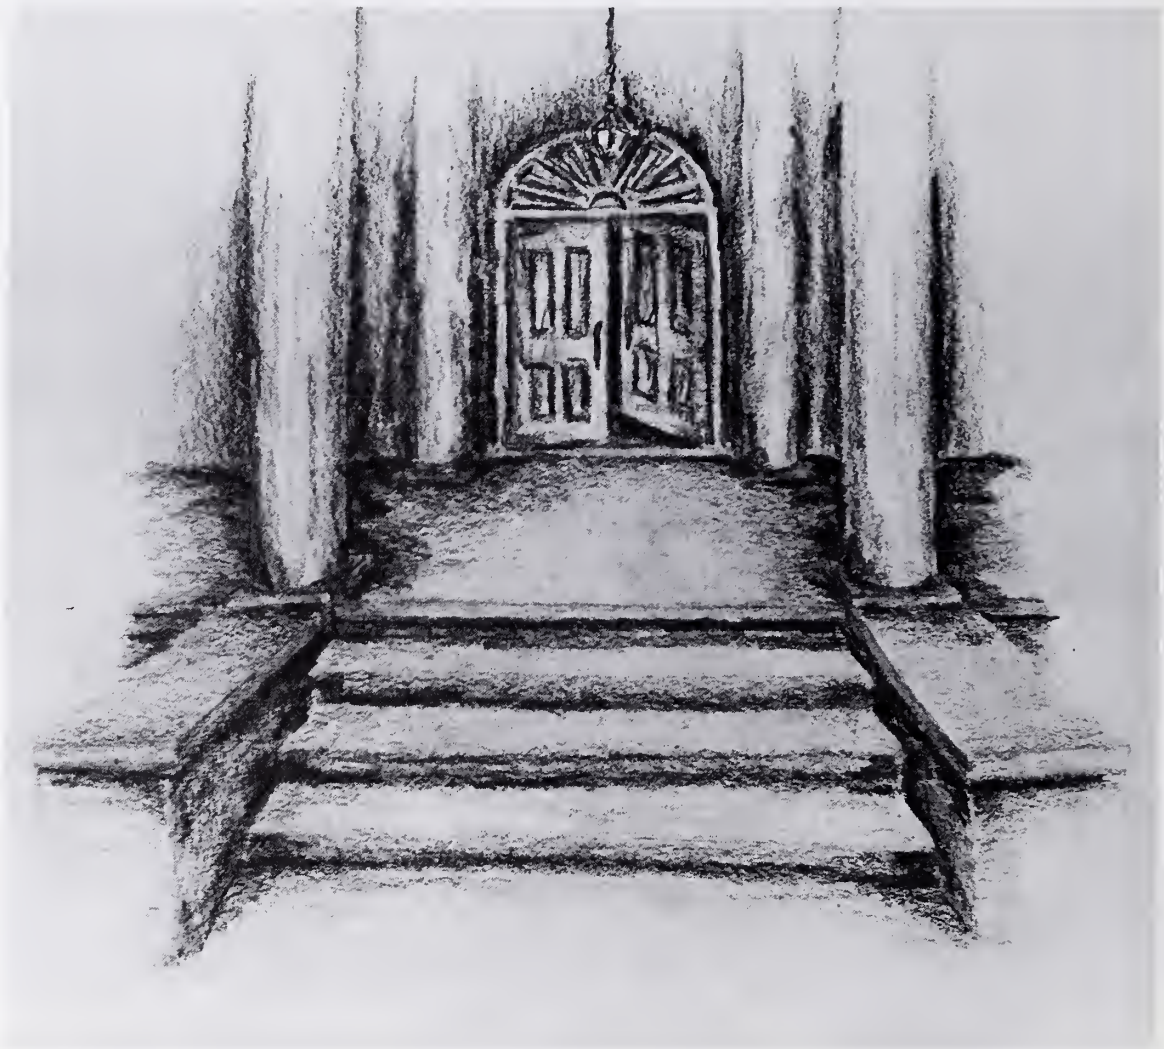

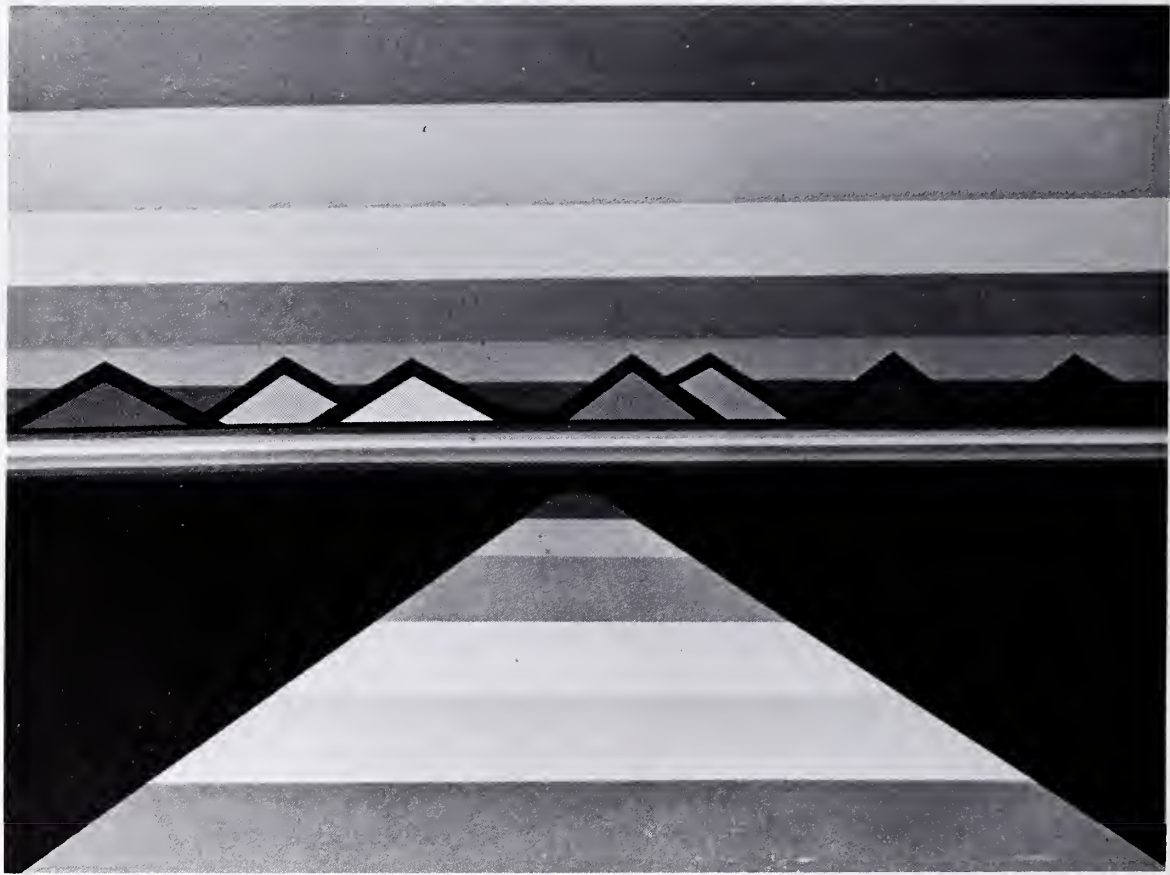

SPORTS

Varsity Baseball

Lincoln's baseball team ended up taking second place in state competition.

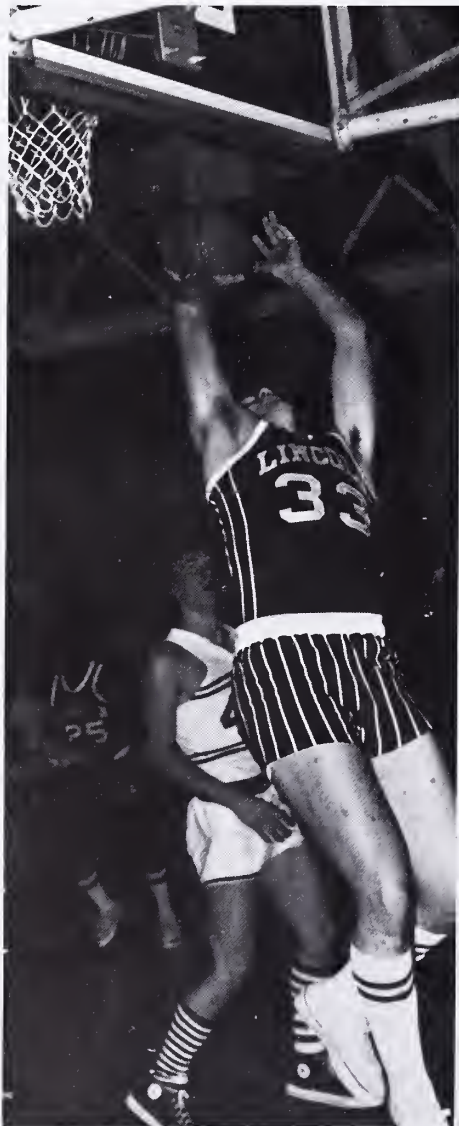

After winning the sectionals it was off to the finals where we beat Lake County and Lake Land. But when we played the double header with Kankakee, we lost fourteen to two and five to two. The baseball team had twenty-three wins and eleven losses at the end of the season.

Basketball

The Lincoln Lynx got to the state tournament for the first time since 1962 and finished fourth in the Illinois State Junior College Basketball Tournament. It was particularly rewarding since we won our sectional tournament held on campus beating Springfield Jr. College 83-66 and Lewis and Clark 69-56. The Lynx played their best basketball of the season when it counted: in the sectional tournament at Danville, winning 81-79 over Black Hawk on Steve Kidd's last second shot. Coach Pickering said of the Lynx who won twenty-six games and lost eleven that the team "played as well together as any team I have ever coached."

The Lynx high point of the year came on January 26 when the team down 65-55 with five minutes to go, came back beating DuPage 67-65. DuPage won the Illinois State Junior College Tournament.

Tennis

The tennis team this year took second in state. They ended the year with a 7-3 record.

On an individual basis Greg Mason claimed the title as being No. 1 in state in his division.

This summer on June 3-8 National Competition will be held in Ocala, Fla. Greg Mason and Ed Freeman entered the competition hoping for more honors for Lincoln.
